The Stella 192

Our Point of Difference

Allow me to introduce myself, Joel Hewitson the Managing Director, and the QBCC Licenced Builder as Hewitson Homes. I offer a service to you like no other. I invite you to meet with me allowing you to select from my design range, or customise your home design to suit your specific needs, requirements and aesthetic taste. You can customise any of our offered design range, or start fresh by meeting with our design team.

You will sign the building contract with me, and communicate directly with me throughout the entire build.

This ensures your every need is catered for, delivering your perfect home to you and your family.

Thank you for considering Hewitson Homes. I look forward to meeting you soon.
